TO: LOCAL AGENCY FORMATION COMMISSION

SUBJECT: Agenda Item 6: LAFCO 3024 – Service Review and Sphere of Influence Update for County Service Area 64

RECOMMENDATION:

Staff recommends that the Commission continue LAFCO 3024 to the November 28, 2007 hearing.

BACKGROUND:

LAFCO staff has continued the municipal service review and sphere of influence update for CSA 64 on three occasions. In August, staff asked for a continuance because the environmental review was not prepared, clarification regarding CSA 64's appropriation limits had not occurred, and the required materials for review were not yet received from the County Special Districts Department.

Since that time, the environmental review has been prepared, the County Board of Supervisors clarified the appropriation limit for CSA 64 at its October 16th hearing, and staff has received the requested information regarding the types of functions and services currently provided by CSA 64 from the County Special Districts Department.

However, staff is requesting an additional continuance to allow time to process a sphere of influence modification for the following reasons:

- CSA 64 is providing a service outside of its boundaries and sphere and additional time is needed to clarify the situation.
- CSA 64 provides services within its boundaries that are not currently recognized by LAFCO and pays for these services through funds not intended for that purpose. LAFCO staff needs additional time to address these issues.

For these reasons, staff recommends a continuance to the November 28, 2007 hearing.
